

January 13, 2017

Dear Pastor and Missions Director,

I hope this letter finds you doing well and I trust you had a wonderful Christmas and that 2017 has already started out great for you and your church.

First, let me begin by personally thanking you for all the hard work you did for World Missions in 2016.

Enclosed you will find the schedule for our up-coming Great Commission Meals. This is a Meal of appreciation for all you and your church do for World Mission throughout the year. It is also a time to share in Christian fellowship, meet our missionaries, attaining World Missions information and a time when we cast a vision for 2017.

The Great Commission Meal is a complimentary meal of appreciation for Pastors and spouses, Local Missions Directors and spouses, and or Local Missions Committees and Spouses. Please submit the number expected to attend from your church to your District Elder or District World Missions Director. This needs to be done as soon as possible, so provisions can be made for the meal. Also, I am asking that each pastor come with your goal or send your goal to your District World Missions Coordinator. Our goal for 2017 is \$400,000.

Thank you in advance for your cooperation.

Making a Global Difference
