The SCWM board and I welcome all of you to our 2017 retreat at the beach! You are a queen this year while attending this retreat! Our desire this year is to see each of you have a complete make-over spiritually, mentally, physically, and emotionally. Our speakers are Spirit-filled ministers who are highly anointed by God, especially in the prophetic. I personally want to thank you for supporting Women's Ministries and me. It is a pleasure and joy serving with such beautiful women.
