

STEPHEN & LAURA DROZE
TUESDAY MORNING SPEAKERS

Steve and Laura Droze have made it their life mission to share their story of dysfunction and the supernatural redemption that can change everything. Because of hurtful, deceptive and retaliatory actions, their marriage was crumbling. Without divine intervention, their union would naturally have ended in divorce. Yet through God's love, their hearts were opened to His voice and a new path of healing began. Their marriage is completely restored and today they celebrate 33 years together. Shared with great transparency, God has used their story to transform countless lives.

Charleston, SC is the place they call home. Steve is the owner of a commercial construction company and Laura owns a hair salon and works in interior design. They love doing life together with their daughter, Christina and her husband, Stephen, and their two boys, Beckham and Blake.
