ROYAL CHILDREN'S HOME MINISTRIES

Royal Home Ministries, formerly known as Alternative to Abortion Ministries (ATAM), offers counseling and education opportunities for teen pregnant mothers in a nurturing, protected atmosphere. The Royal Home is committed to serving teen mothers and their babies during their time of crisis. Since 1992, the Royal Home has served over 325 young women that sought to provide a brighter future for themselves and their babies. The ultimate goal of Royal Home Ministries is to save innocent babies from abortion and to redirect the life of the mother. Our maternity, mothers and babies program is a new beginning for both. By supporting this tournament, you are helping to promote the value of human life.

BY SUPPORTING THIS TOURNAMENT, YOU ARE HELPING TO PROMOTE THE VALUE OF HUMAN LIFE.
