Dear Potential Free Camp Supporter:

We want to thank you for your consideration in giving your support. Your support of this event will perpetuate its annual success in giving kids an opportunity to experience friendship, fun and a new destiny in Jesus Christ!

FREE Camp's basic philosophy is to help youth discover a new destiny. We believe that through Christian influence, our children do not have to experience the shame, unforgiveness, insecurity, defeated esteem, addictions or dysfunctional life patterns that poor decisions can bring. **FREE Camp's** aim for twenty years has been to accomplish this through providing a fun (and free) Christian experience for children who rarely find such an opportunity. You'd be surprised at the enriching classes and activities we fit into just a few short days – each designed to touch the hearts and minds of kids in our community, city and area.

Would you consider demonstrating your compassion for these children by contributing to **FREE CAMP 2022?**

Your help is essential in providing a successful youth camp! Thank you and may your organization see God's blessing throughout the year.

God Bless,
Mr. Andrew Miles (843) 598-4545
Free Camp of the Pee Dee Director
